## Introduction to Political Theory and Thought

### Descriptor Details

- **Descriptor Title:** Introduction to Political Theory and Thought
- **C-ID Number:** 120
- **Units:** 3.0
- **Date of Last Revision:** 6/7/2022 12:35:23 AM GMT+0000

### General Description

Examination of various theoretical approaches to politics and of basic political problems and proposed solutions. Analysis of selected political theories and of the relevance of theory to contemporary problems.

### Prerequisites

Non

### Corequisites

None

### Advisories

None

### Content

1. The nature and tradition of political inquiry.
2. Classical theorists.
3. Modern theorists.
4. Contemporary theorists (i.e. critical race theorists and feminist theorists).
5. Basic theoretical debates such as, but not limited to, power, justice, equality, ideal government.
6. Application of theoretical debates to the contemporary world.

\*Course may be organized thematically or chronologically

### **Lab Activities**

N/A

### **Objectives**

*At the conclusion of this course, the student should be able to:*

1. Evaluate the study of political theory, based on original texts and other sources, as a means for understanding important political phenomena.
2. Analyze political theory and theoretical texts and explain how they are relevant to contemporary issues.
3. Assess the historical and social context surrounding the generation of political theories.
4. Compare and contrast the defining elements of each political theory.
5. Analyze the different assumptions and values about "human nature" and "reality" embedded in each political theory and examine the way these starting premises shape the questions asked and conclusions reached.
6. Evaluate the contribution of each political theory towards a comprehensive understanding of political life and political institutions.

### **Evaluation Methods**

May include as appropriate:

In-class or take-home examinations  
Research papers or projects

Written assignments  
Analytical papers  
Simulations  
Oral presentations  
Participation in class discussions and debates
